Loners on Wheels is a singles RV Club established by Edith Lane more than 50 years ago. She was single and enjoyed traveling but missed the camaraderie of traveling with friends. When she met up with a group of single travelers in Death Valley she thought it would be a great idea to have a club made up of single travelers. That vision became a reality in 1969 when she started Loners on Wheels and we are still going strong. The only requirement of the club is that you are legally single.

Our club has grown to include Chapters throughout the United States as well as the LowHI RV Ranch in Deming NM.

The singles community that Edith created remains one of companionship, sharing adventures and social activities with friends old and new. We hope to see you down the road where all singles are welcome and hugs abound.

LoW is a unique rving club for legally single men and women who enjoy adventure, camping and making new friends. We are a group with a "young at heart" attitude who welcome you, whatever your age.

Our scheduled LoW events are attended as singles and we encourage singles to interact with dances, games and volunteering. Our members offer you companionship and support.

## Chapter Campouts

Over 25 local chapters invite LoW members and first-time visitors for a weekend of fun, friendship, potlucks, games, campfires and visits to festivals and events.

Chapters can be as small as 10 or as large as 75...As a LoW member, you will always be welcome to visit if you are traveling through the area. Please join your local chapter if you visit a lot; it's always nice to have volunteer help and new ideas.

**Pet friendly club!**

(rules & limit apply)

## NO AGE DISCRIMINATION

### Rallies

Rallies are special three to five day events hosted by chapters and are advertised in our bi-monthly newsletter where information is provided about the rally fee and camping fee. Our rallies usually include breakfasts and dinners. Come and enjoy the planned games, dances, happy hours, campfires and local events. We encourage teamwork and volunteering.

Rallies have "themes". Costumes are voluntary and really add to the festivities.

# Single RV-er? Why go it alone?

Join us-Loners on Wheels (LoWs)-for camping, traveling, Rving, information, and great food: all of this with other single Rvers. Established in 1969, LoWs provides a new family of friends with a unique and common bond-that of being single and enjoying the RV lifestyle. We are an organization with chapters across the United States, which host campouts and other gatherings. Members receive a semi-monthly newsletter which provides information about other members and all scheduled campouts and gathering which includes games, campfires, dancing, potluck dinners, sightseeing, hugs, fun and much more. We are not a dating service!

Why LoWs Give Hugs?

## HUGGING

### IS GOOD MEDICINE

It transfers energy and gives the person hugged an emotional lift. You need four hugs a day for survival, eight for maintenance, and twelve for growth. Scientists say that hugging is a form of communication because it can say things you don't have the words for. And the nicest thing about a hug is that you usually can't give one without getting one.
